## Consent to Treat Property for Japanese beetle Control

I, \_\_\_\_\_, am the owner/occupant of property located at \_\_\_\_\_, Boise, Ada County, Idaho.

I understand that a Japanese beetle (*Popillia japonica*) infestation has been detected on or near my property. I give my consent to allow the Idaho State Department of Agriculture (ISDA) and its agents and employees to treat areas of my property containing lawn or turf twice during the spring/summer of 2016 with a granular insecticide for control of JB larvae in the soil.
