

IDAHO DAIRY TRAIL

Idaho dairy products are produced with love and care on family farms throughout the state. All of our more than 500 dairy farms are family owned. We take great pride in our farmers, who, in turn take great pride in their product. We hope you enjoy the delicious Idaho products featured along the Idaho Dairy Trail!

We invite you to taste some of the finest cheese, ice cream, milk, and other dairy products in Idaho made with fresh, high quality Idaho dairy ingredients.

VISIT THE LOCATIONS ON THE TRAIL AND ASK FOR A PASSPORT STAMP AT EACH STOP.

Once completed, mail your passport to the Idaho State Department of Agriculture (ATTN: Marketing Division) at 2270 Old Penitentiary Rd., Boise, ID 83712 to claim your prize!

The Idaho Ice Cream and Cheese Trail is sponsored by the Idaho State Department of Agriculture and United Dairymen of Idaho.

DAIRY FACTS:

- All of Idaho's dairy farms are family owned and many are multi-generational
- Idaho is the 3rd largest producer of milk and cheese in the entire U.S.
- The average dairy cow produces about seven gallons of milk per day, however the production by some high-producing cows can be twice that amount!
- If Idahoans consumed all of the milk produced in the state every man, woman, and child would have to drink 40 glasses of milk every day of the year!
- Idaho's unique geography, climate, and soils produce dairy products of the highest quality
