AUTHORITY: In compliance with Section 67-5220, Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Section 22-2204, Idaho Code.

METHOD OF PARTICIPATION: Interested persons wishing to participate in the negotiated rulemaking must respond to this notice by contacting the undersigned either in writing, by email, or by calling the phone number listed below. To participate, responses must be received by July 19, 2017.

Should a reasonable number of persons respond to this notice, negotiated meetings will be scheduled and all scheduled meetings shall be posted and made accessible on the agency website at the address listed below.

Upon the conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusions reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

DESCRIPTIVE SUMMARY: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

The proposed changes incorporate by reference information and updates contained in the 2018 Official Publication of the Association of American Plant Food Control Officials (AAPFCO) as they pertain to the methodology and practice of conducting regulatory fertilizer registration and label review.
