Re: IDAPA 02.06.22 Noxious Weeds

Dear Mr. Oakey

We urge ISDA to move forward with Option A, listing Japanese and English Yew on the statewide containment list and managing them accordingly. We believe this an approach will best protect wildlife.

Sincerely,

A handwritten signature in black ink that reads "Courtney E. Washburn". The signature is fluid and cursive, with a long horizontal line extending to the right.

Courtney E. Washburn
