

**IDAHO STATE DEPARTMENT OF AGRICULTURE ("ISDA")
PETITION TO INITIATE RULEMAKING**

All rulemaking petitions must substantially comply with IDAPA 04.11.01.820, which addresses petitions to initiate rulemaking as described by Section 67-5230, Idaho Code. The requirements have been laid out below. ISDA will consider all petitions and act to either initiate or deny rulemaking in accordance with I.C. § 67-5230(1) and IDAPA 04.11.01.821.

Please note that ISDA may only conduct rulemaking within the authority provided it by statute in order to govern the department's jurisdiction. See I.C. § 22-101(3). Prior to petitioning ISDA, please verify and understand the authority of ISDA as it relates to the petition's desired outcome. If a petition for rule change is outside of ISDA's legal authority, it will be denied.

Name of petitioner(s): Idaho Grape Growers and Wine Producers Commission
Address of petitioner: 821 W. State Street ; Boise, ID 83702
Phone number of petitioner: 208.332.1538
Email address of petitioner: moya@idahowines.org / ashlee@idahowines.org

Petitioner's interest in matter:
We look to change the percent from 95% to 75% to be considered Idaho Preferred.

Describe the nature of the rule or amendment to the rule and the petitioner's suggested rule or amendment: this percentage of 95% is difficult to reach for wineries in Idaho when the state of Idaho has bad weather and includes the loss of grapes.

Name of the statute, order, rule or other controlling law:
04. Wine. Wines shall contain a minimum of ninety-five percent (95%) Idaho grapes. (4-6-05)

Factual allegations upon which the petitioner relies to support the proposed rulemaking:
Winter of 2017 grape growers were hit and a great number of their vines had to be cut down & then retrained. This makes it difficult for the harvest to obtain the 95% grapes from Idaho mark on those years.
