**Subject:** Wednesday Meeting

Stakeholders –

Thank you for submitting your comments on the sunset clause. ISDA will review each letter and then decide the best course forward for the rulemaking process. As of right now, I don't see the need to hold the third rulemaking meeting this Wednesday unless there is anything else that you think needs to be discussed by the group. FYI – the rule comment period will remain open until August 3<sup>rd</sup> if there is any additional information you would like to put on the record. Thank you all for your time.
