Hi Marvin,

The changes will update the rule incorporations by reference of the AAPFCO official publication, the Merck Index, and the Association of Official Agricultural Chemist International to the most recent published versions. We will also remove any redundancies between the publications and the rule.

Best regards,

The Idaho State Department of Agriculture will be holding a public meeting on the negotiated rulemaking of IDAPA 02.06.41 - RULES PERTAINING TO THE IDAHO SOIL AND PLANT AMMENDMENT ACT OF 2001 on Wednesday, June 12, 2019 at 9:40 a.m. (MDT) at 2270 Old Penitentiary Road, Boise, ID 83712.

Proposed changes will update incorporations by reference to the most recent available publications and will update standards, ingredients and definitions in the current rule and publications to make them congruent with the new publications.

The notice of intent to promulgate this rule can be found on page 36 of the June 5th, 2019 publication of the administrative bulletin at <https://adminrules.idaho.gov/bulletin/2019/06.pdf>.
