**WELCOME**

Lloyd Knight convened the meeting at 9:30 a.m. He explained that this is a combination of rules into one chapter. The code sites were reviewed and redundant language eliminated. Since this is not the normal time of year for negotiated rulemaking, no substantive changes were made. The comment period ends September 20. The proposed rule will be published in the November Bulletin. He explained that the involvement of stakeholders in the legislative process is important and thanked those who attended the meeting.

Lloyd Knight showed on the website where to find the rules that are being combined. The rules being combined into “IDAPA 02.06.02 Rules Governing Registration and Licenses” include:  
IDAPA 02.06.02 Rules Pertaining to the Idaho Commercial Feed Law;  
IDAPA 02.06.03 Rules Pertaining to the Idaho Nurseries and Florists Law;  
IDAPA 02.06.30 Rules Under the Idaho Bee Inspection Law;  
IDAPA 02.06.12 Rules Pertaining to the Idaho Fertilizer Law; and  
IDAPA 02.06.41 Rules Pertaining to the Soil and Plant Amendment Act.

Lloyd indicated that three of the subchapters include changes made that were made during negotiated rulemaking.

Benjamin Kelly asked why hay was eliminated. Brian Oakey responded that this was eliminated when the incorporated by reference material was removed. Jared commented that those parts that were included in statute were deleted. Brian also stated that numbering was kept consistent in the various subchapters.

Lloyd Knight adjourned the meeting at 9:45 a.m.

Respectfully submitted by Janis Perry.
