Producers Livestock in Jerome ID has no objection to issue Carter and Remington a new Charter for a New Livestock Auction Charter. At one time there were (4) Livestock Auction Markets in Eastern Idaho, we are now down to (1) in eastern Idaho.

I would recommend for them to keep Wednesday as their Sale Day. That will keep from splitting the Buyers attending several auctions.

A handwritten signature in blue ink that reads "Daniel F. Schiffler". The signature is written in a cursive, flowing style.
