*Serving you since 1936*

Idaho Livestock Auction LLC strongly objects to issuing a new Livestock Market Charter to Cade K. Carter and Robert K. Remington. We hold a current Livestock Market Charter and bond to do business in the same area this new applicant is requesting. While we are currently not having sales at our old location we are still in business. This new charter would greatly impact business for Idaho Livestock Auction LLC. We feel that the area can not support two livestock markets located so close to each other. As we have been in business in the state of Idaho and supporting the cattle industry since 1936, we hope you take our concerns about this new charter and it's affect on Idaho Livestock Auction LLC into serious consideration.
