Ms. Perry and Mr. Mason,

Good evening! Thank you for providing the proposed rule changes. I would like to request a public comment extension for IDAPA 020303. Currently the end of the comment period is scheduled for July 17th. I am requesting an extension at a minimum to Thursday, July 23rd or preferably Friday, July 31st. Given the proposed rules were provided last Tuesday and not at the time the negotiated rulemaking announcement was made in the Idaho Administrative Bulletin and there being a holiday during the comment period, I respectfully request your consideration.

Thank you,
Ester Ceja
