Subject: {External}Re: ISDA Negotiated Rulemaking for IDAPA 02.03.03
Date: Wednesday, August 5, 2020 9:59:33 PM

Good evening Janis, Brian, and Vic. I respectfully request the comment period be extended to Tuesday, August 18th. This allows the public time to provide additional comments on the most recent proposed changes.

I realize each state agency may have a slightly different manner of addressing written public comment. Can you please tell me how you will be addressing written public comment received during the negotiated rulemaking.

Thank you,
Ester Ceja
