Dear Mr. Oakey-

As noted in the comment letter submitted on behalf of the Northwest Center for Alternatives to Pesticide, Idaho Organization of Resource Councils, Visión 2C, and the Idaho Conservation League, appendices are being submitted separately due to file size.

I've attached a zipped folder with 27 relevant images. Please let me know if you have any difficulty opening the files, or if I need to submit in a different format.

Thank you,

Jonathan
