

IDAPA 02 – DEPARTMENT OF AGRICULTURE
DOCKET NO. 02-0000-2000F (FEE RULE)
NOTICE OF OMNIBUS RULEMAKING – PROPOSED RULE

AUTHORITY: In compliance with Sections 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 22-103(20), 22-112 and 22-1103, Idaho Code.

PUBLIC HEARING SCHEDULE: Opportunity for presentation of oral comments concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of the purpose of the proposed rulemaking:

This proposed rulemaking re-publishes the following existing temporary rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 02, rules of the Department of Agriculture:

IDAPA 02

- IDAPA 02.01.04, *Rules Governing the Idaho Preferred® Promotion Program*;
- IDAPA 02.01.05, *Rules Governing Certificates of Free Sale*; and
- IDAPA 02.06.33, *Organic Food Products Rules*.

IDAHO CODE SECTION 22-101A STATEMENT: Pursuant to 22-101A(1), for any rule promulgated or adopted by the director which is broader in scope or more stringent than federal law or regulations, or which regulates an activity not regulated by the federal government, the director shall identify the portions of the adopted rule that are broader in scope or more stringent than federal law or rules, or which regulate an activity not regulated by the federal government.

The Idaho Preferred Promotion Program is a voluntary marketing program which provides standards, not regulations, for Idaho Preferred products. Therefore, this Rule is not subject to the requirements of Idaho Code Section 22-101A.

The other two rules do not require such statement because they are neither broader in scope, nor more stringent than federal laws or regulations. These rules also do not regulate areas not already regulated by the federal government.

FEE SUMMARY: This rulemaking does not impose a fee or charge, or increase a fee or charge, beyond what was previously submitted to and reviewed by the Idaho Legislature in the prior rules. The table provides a specific description of fees or charges imposed by specific rules. Fees or charges are imposed pursuant to the Idaho Code Sections listed.

IDAPA	Specific Findings	Fee Summary
02.01.04	The fee outlined in this rule funds the required activities. Voluntary participation in the Idaho Preferred program provides eligible program participants with marketing and promotion services.	Directs ISDA to set fees annually not to exceed \$1,000; Authorized by Section 22-112(1), Idaho Code
02.01.05	The fee outlined in this rule funds the required activities. Certificates of Free Sale are often required by export markets in order to ship Idaho commodities to them. Certificates of Free Sale provide producers with necessary documentation to show buyers that commodities were grown or processed in compliance with applicable Idaho laws and rules and distributed generally throughout Idaho and the United States.	Directs ISDA to set fee annually not to exceed \$50; Authorized by Section 22-112(1), Idaho Code

IDAPA	Specific Findings	Fee Summary
02.06.33	The fee outlined in this rule funds required activities. The program provides for certifying inspection of organic producers in Idaho. There is no general fund support for this program.	Graduated fee structure; Authorized by Section 22-1106, Idaho Code

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2021 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules and fees being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the proposed rules attached hereto.
