

# ISDA Crop Input Ingredient Declaration Form

**Directions:** Use this form for any materials that you are requesting for use on your organic crop operation that are not *currently* OMRI, WSDA, CDFR, or ISDA approved for organic crop production. The material manufacturer must fill out this form to completion in order to be accepted. However, if all of the information can be provided in an alternate format it may be accepted. Submission of this document does not guarantee the material will be approved. Additional information may be needed to determine compliance.

**Material Manufacturer:** Fill out this form so ISDA may review this material for the certified client's use.
