Lloyd Knight opened the meeting at 9:00am and outlined the rulemaking process and meeting expectations. This is the first of two meetings with the second to be held April 7, 2022.

Andrea Thompson reviewed:

- Subchapter A – Commercial Feed. Language proposed for deletion is already provided in statute or AAFCO Official Publication (OP). Language retained is unique to this rule and/or not addressed in the OP. New language proposed for Human Grade Claims to clarify how documentation will be handled.
- Subchapter B – Nurseries and Florists. Language proposed for deletion is already provided in statute or otherwise unnecessary.
- Subchapter C – Bee Inspection. Language proposed for deletion is already provided in statute or otherwise unnecessary.

- Subchapter D – Fertilizer. Language proposed for deletion is already provided in statute or AAPFCO Official Publication (OP). Language retained is unique to this rule and/or not addressed in the OP.
- Subchapter E – Soil and Plant Amendments. Language proposed for deletion is already provided in statute or AAPFCO Official Publication (OP).

No other comments were offered by stakeholders.

Mr. Knight announced the next meeting will be held April 7, 2022, at 9:00 a.m. Meeting adjourned at 9:35 a.m.
