Decision Table for Hemp Ingredients in Commercial Feeds and Remedies in Idaho

Currently, hemp and hemp-derivatives, including CBD, are not approved ingredients for commercial feed or remedies (supplements) in Idaho. These products are adulterants. The table below is intended to help determine the differences between commercial feed, remedies, and if hemp ingredient products are affected by Idaho’s Commercial Feed Law.

	Standard Definition	Adulterated
Commercial Feed	<ul style="list-style-type: none"> • Intended for distribution for use as feed to any animal • Label with written, printed, graphics, statements and/or promotion as feed • Guaranteed analysis • Ingredient statement • Excludes: chews, whole unmixed seed, hay, individual minerals, live or whole animals, Custom Formula Mixes (CFMs) 	<ul style="list-style-type: none"> • Intended for distribution for use as feed containing hemp to any animal • Label with written, printed, graphics, statements and/or promotion as feed containing hemp • Guaranteed analysis containing hemp • Ingredient statement containing hemp • Includes: hemp-containing feed, treats, chews, hemp seed, hemp hay, hemp medicated feeds
Animal Remedy	<ul style="list-style-type: none"> • Any drug, combination of drugs, pharmaceutical, proprietary medicine, veterinary biologics, or combination of drugs and other ingredients • Materials other than food intended to affect the structure or any function of the body of animals 	<ul style="list-style-type: none"> • Any hemp-containing drug, combination of drugs, pharmaceutical, proprietary medicine, veterinary biologics, or combination of drugs and other ingredients • Materials other than food intended to affect the structure or any function of the body of animals containing hemp ingredients • Includes: topically applied products, creams, ointments, shampoos containing hemp with claims above
EXEMPTED from Idaho’s Commercial Feed Law	<ul style="list-style-type: none"> • Makes no claims of affecting the structure or any function of the body of animals containing hemp ingredients • Includes: topically applied products, creams, ointments, shampoos containing hemp with no claims • Hemp fiber mats and bedding
