02.04.23 - RULES GOVERNING COMMERCIAL LIVESTOCK TRUCK WASHING FACILITIES

LEGAL AUTHORITY.

This chapter is adopted under the legal authority of Sections 22-103(15) and 22-110, Idaho Code. (3-31-22)

001. TITLE AND SCOPE.

Title. The title of this chapter is IDAPA 02.04.23, "Rules Governing Commercial Livestock Truck Washing Facilities."

02. Scope. These rules govern the permitting, construction, and management of commercial livestock truck washing facilities. (3-31-22)

002. WRITTEN INTERPRETATIONS.

There are no written interpretations of these rules.

(3-31-22)

003. ADMINISTRATIVE APPEAL.

Persons may be entitled to appeal agency actions authorized under these rules pursuant to Title 67, Chapter 52, Idaho Code.

INCORPORATION BY REFERENCE.

Copies of these documents may be obtained from the Idaho State Department of Agriculture central office and the State Law Library.

01. The 1997-United States Department of Agriculture Natural Resources Conservation Service Agricultural Waste Management Field Handbook, Appendix 10 D.

The 2000 American Society of Agricultural Engineers Standard EP393.3. (3-31-22)

03. The 1999 Publication by the United States Department Of Agriculture, Natural Resource Conservation Service, Conservation Practice Standard, Nutrient Management Code 590.

ADDRESS, OFFICE HOURS, TELEPHONE, FAX NUMBERS, WEB ADDRESS.

The Idaho State Department of Agriculture central office is located at 2270 Old Penitentiary Road, Boise, ID 83712-8298. The office is open from 8 a.m. to 5 p.m., except Saturday, Sunday, and legal holidays. The mailing address is PO Box 7249, Boise, Idaho 83707. The phone number is (208) 332-8500 and the fax number is (208) 334-2170. The Department web address is https://agri.idaho.gov/. (3-31-22)

006. IDAHO PUBLIC RECORDS ACT.

These rules are public records available for inspection and copying at the central office of ISDA and the State Law Library. (3-31-22)

007. -- 009. (RESERVED)

DEFINITIONS.

(3-31-22)The following definitions apply in the interpretation and enforcement of this chapter.

Commercial Livestock Truck Washing Facilities. Livestock truck washing facilities that charge a fee to wash livestock trucks and trailers, or those facilities where the process wastewater is not regulated pursuant IDAPA 02.04.14 "Rules Governing Dairy " or 02.04.15 "Rules," (3-31-22)

Governing Beef Cattle Animal Feeding Operations."

Compost. A biologically stable material derived from the biological decomposition of organic

Commented [DSL1]: All language pertaining to construction of lagoons or maintaining an NMP is being moved to the NMP rule.

Formatted: Highlight

Commented [DSL2]: Disparity on regulatory oversight...should this be addressed? Would it be enforceable at that point? Is there a penalty provision for this rule?

Formatted: Highlight

allowed pursuant to an approved NMP.	(3-31-22)
10. Nutrient Management Plan. A plan prepared in conformance standard or other equally protective standard for managing the amount, source, plan	
land application of nutrients or soil amendments.	(3 31 22) Commented [DSL4]: Relocate to NMP
11. Operate. Washing or cleaning livestock trucks.	(3-31-22)
12. Operator. The person who has power or authority to manage, or a commercial livestock truck washing facility.	direct, or has financial control of (3-31-22) Commented [DSL5]: Red Tape Reduction
13. Process Wastewater. Any water generated on a commercial live comes into contact with manure, compost, bedding, or feed.	estock truck washing facility that (3-31-22) Commented [JS6]: Consider striking as already defined in IC22-4904(14):
14. Runoff. Any precipitation that comes into contact with manure, commercial livestock truck washing facility.	compost, bedding, or feed on a (3-31-22) (14) "Process wastewater" means liquid containing beef cattle manure, process-generated wastewater and any precipitation which comes into direct contact
15. Unauthorized Discharge. A discharge of process wastewater livestock truck washing facility to surface waters of the state that is not authorized	or manure from a commercial with livestock manure and facility products or byproducts.
National Pollutant Discharge Elimination System permit issued by the United S Agency. (3-31-22)	States Environmental Protection statute for this rule.
16. Wastewater Storage and Containment Facility. That portion process wastewater is stored or collected. This includes, but is not limited to,	
conveyance systems, waste storage ponds, waste treatment lagoons and evaporative	
17. Waters of the State. All surface and ground water located with boundary streams, rivers and lakes except for private waters as defined in Title 42, C	
011. ABBREVIATIONS.	Commented [JS9]: Consider striking as already defined in 22-4904(17):
01. CLTWF. Commercial Livestock Truck Washing Facility.	(3-31-22) "Waters of the state" means all accumulations of water,
62. FEMA. Federal Emergency Management Agency.	surface and underground, natural and artificial, public and private, or parts thereof which are wholly or partially within, which flow through or border upon the state.

Discharge. Release of process wastewater or manure from a commercial livestock truck washing

Land Application. The spreading on, or incorporation of manure or process wastewater into the

Livestock Truck Washing Facilities. Those facilities utilized primarily for washing and cleaning

07. Modified. Structural or management changes, or alterations to the livestock truck washing facility which would require increased storage or containment capacity or such changes, which would alter the function of

08. Non-Compliance. A practice or condition that causes an unauthorized discharge or a practice or

09. Non-Land Application Season. The portion of the year during which land application is not

Page 2

Livestock. Bovidae, ovidae, suidae, and equidae.

condition that if left uncorrected will cause an unauthorized discharge.

Commented [JS10]: Not necessary. Already outlined in Scope.

Commented [JS11]: More concise.

Commented [JS12]: Presuming this permit is on a form supplied by the Department. If so, further presuming this information is on there. No need to spell it out in rule after rule granting authority to need a permit when the Department is the one coming up with the application.
