

06/01/2023

The proposed changes:

Current Rule: [IDAPA 02.06.04 – Rules Governing Plant Exports](#)

Page 4, Subchapter A, Subsection 110.05 Rush Service.

Proposal #1:

Current language:

05. Rush Service. This service is to accommodate phytosanitary certification applications that must be issued earlier than the routine three (3) to four (4) day turn-around. This service will be carried out only after a mutual agreement between the applicant and the Department.

Proposed language:

05. Rush Service. This service is to accommodate phytosanitary certification applications that must be issued ~~earlier than the routine three (3) to four (4)~~ **with a one (1)** day turn-around **for commodities that get daily ISDA/USDA inspections.** This service will be carried out only after a mutual agreement between the applicant and the Department.
