Formula funded to each State/Territory
Infrastructure Grant (subawards): \$100,000 to \$3,000,000
Equipment-Only Grant (subawards): \$10,000 - \$100,000

State Department of Agriculture

Funding to assist states to build resilience in the middle-of-the-supply-chain and strengthen local and regional food systems. This program is to support food system crops and products meant for human consumption (excluding meat and poultry products).

“Middle of the supply chain” for local and regional agricultural food products. Exclusion of meat/poultry.

Activities that expand capacity and infrastructure for the aggregation, processing, manufacturing, storing, transporting, wholesaling, or distribution of targeted agricultural products. State Led Supply Chain Coordination and technical support.

Will fund new construction, delivery vehicles, facility upgrades, term-staff. Infrastructure Grants have a 50% match requirement. Equipment-Only Grants have NO match requirement.
