Recap: Weights and Measures Administrative Hearing Tuesday, October 20 | Meeting | Microsoft Teams

Call to Order:

The meeting was called to order by Dr. Scott Leibsle at 2PM MT.

Introductions:

Dr. Scott Leibsle opened the public hearing regarding rulemaking for IDAPA 02.02.14, Rules Governing Weights and Measures. He explained that two negotiated rulemaking meetings had been held previously and that the public hearing provided another opportunity for stakeholders to review proposed changes and provide feedback.

Casey Monn recorded attendance and lead the rule review.

Rulemaking Summary:

Jared Stuart reviewed the proposed rule, including licensing provisions, registered service person requirements, violations, and rural fuel exemptions.

Review of Current Rule and Proposed Changes:

Casey Monn and department staff reviewed proposed amendments to IDAPA 02.02.14 Rules Governing Weights and Measures.
