Subject: Cattle Producer Brucellosis Rulemaking Feedback
Date: Tuesday, June 17, 2025 2:09:31 PM
Attachments: [image001.png](#)

Chase Shoemaker – Cattle/Bison Producer in New Plymouth contacted me by phone to provide feedback on the brucellosis rulemaking. Mr. Shoemaker said he supported removing the brucellosis vaccination requirement for cattle/bison that are not in a high risk area. He stated he would likely choose to still vaccinate his breeding heifers, but he appreciated having the option to not vaccinate if it's not necessary..
