Review of Current Rule and Proposed Changes

Casey Monn presented changes to IDAPA 02.01.07 <https://agri.idaho.gov/wp-content/uploads/directors-office/020107-Hemp-Strawman-7.24.2026.pdf>

No major changes to the strawman since 7/28.

Producer Fees – Request for one payment, one license fee to cover all fees made at 7/28 meeting – Because inspections are contingent on variable factors including follow up inspections, lots in violation, disposal inspections, etc., consolidating the fee would cause it to be high for all participating producers to account for those variables. At this time, ISDA will not be consolidating that fee, unless there is another push from industry to do so.
