Review of Current Rule and Proposed Changes

Jared Stuart gave an overview of changes to IDAPA 02.02.14. https://agri.idaho.gov/wp-content/uploads/directors-office/020214_05222026-Offical-Copy.docx

Changes include; annual incorporation by reference of NIST Handbook 133 and fee changes for device fees for all device codes.

Jared Stuart noted that ISDA certifies over 37,000 devices, ISDA is seeing an increase in devices needing certified. All fee updates are below the national average and western states average. Last fee updates were 2009 and 2014.

Redline changes include; https://agri.idaho.gov/wp-content/uploads/2026/08/020214_WM_05222026-Draft-8.04.2026.pdf

- Combining fees for D, E and F, as well as J,K and L.
- Lab fees also added in the rule, including the hourly rate for metrology services.
- Addition of registered service person fee (3-15-22).

- Minimum Fee (016) – Previously the license fee was \$12.00, changing fee to \$150 to cover the cost of the device inspection to account for mileage and staff time conducting inspection.
- Re-examinations of rejected devices, mileage rates and hourly rates updated.
- Updated incorporation by reference dates. Clarified license renewal language. Registered Service Persons licensing fee, requirements, and violations. Rural fuel exemption.
