

02.01.07 – RULES GOVERNING HEMP

000. LEGAL AUTHORITY.

This chapter is adopted under the legal authority of Sections 22-1702, 22-1703, 22-1704, 22-1705, and 22-1706, Idaho Code. (3-15-22)

001. SCOPE.

These rules govern the licensing, production, handling, ~~and~~ research of hemp, ~~and the retailing of hemp based products.~~ (3-15-22)

002. INCORPORATION BY REFERENCE.

01. Domestic Hemp Production Program. 7 CFR Part 990. (3-15-22)

02. USDA Final Hemp Rule. 86 FR 5596. <https://www.govinfo.gov/content/pkg/FR-2021-01-19/pdf/2021-00967.pdf>. (3-15-22)

003. – 009. (RESERVED)

010. DEFINITIONS.

In addition to the definitions in 7 CFR Part 990, the USDA Final Hemp Rule, and Section 22-1703, Idaho Code, the following definitions apply to the interpretation and enforcement of these rules: (3-15-22)

01. ~~01.~~

~~Accepted Laboratory.~~ A laboratory capable of testing pursuant to rule requirements and which is a state department of agriculture laboratory or a laboratory accredited in accordance with International Organization for Standardization ISO/IEC 17025:2017 and capable of THC quantitation by gas chromatography-mass spectrometry or high-pressure liquid chromatography. The Idaho State Police Forensic Laboratory is excluded from this definition. After December 31, 2022, accepted laboratories also must be registered, or have attempted registration, with the U.S. Drug Enforcement Agency under the Controlled Substances Act, 21 CFR part 1301.13. (3-15-22)

02. ~~02.~~

~~Acceptable Hemp THC Level for Licensed Producers.~~ The total delta-9 tetrahydrocannabinol content of hemp on a dry weight basis, that, when reported with the measurement of uncertainty, produces a range that includes a result of three-tenths percent (0.3%) total tetrahydrocannabinol or less, as defined in the 2018 Farm Bill. (3-15-22)

03. ~~03.~~

~~Department.~~ The Idaho State Department of Agriculture. (3-15-22)

04. ~~04.~~

~~Entity.~~ A corporation, general partnership, joint stock company, association, limited partnership, limited liability partnership, limited liability company, series limited liability company, irrevocable trust, estate, charitable organization, other similar organization, or an institution of higher education. (3-15-22)

1346 ~~05.~~ ~~05.~~

~~Harvest.~~ To cut, gather, take, or remove all or part of hemp plants growing in a lot for the purpose of distribution, disposal, cloning, handling, sale, or any other use. (3-15-22)

Handler. A handler includes an owner, operator, landlord, or tenant who shares in the risk of manufacturing an end product and who is entitled to share in the product available for marketing from the farm or facility or would have shared had products been produced. A handler may also include, but is not limited to: labs, processing/manufacturing facilities, seed facilities, a mobile conditioners or mobile processing/manufacturing facilities. A licensed handler may accept hemp from a licensed (state, Tribe, USDA, or country of origin) producer or

handler, provided the procured hemp contains an acceptable THC level of 0.3% or less, may act as a broker for hemp, and may sell hemp to licensed producers or licensed handlers. All manufactured or end products must contain no detectable THC.

~~06.~~

~~05.~~ **Hemp Products.** All inhalable and/or ingestible hemp products intended for human ingestion or inhalation, excluding nonviable hulled hemp seed, hemp protein powder, or hemp seed oil.

~~07.~~

~~08.~~ **Ingestible.** Contents or substances taken into the body by swallowing, absorbing, or otherwise consuming.

~~06.09.~~ **Inhalable.** Contents or substances taken into the body by drawing air, vapor, fumes, gas, or smoke into the lungs through the nose or mouth.

~~10.~~

~~06.~~

Key Participant. A person who has direct or indirect financial interest in the entity producing or handling hemp, such as an owner or partner in a partnership. A key participant also includes persons in a corporate entity at executive levels.

(3-15-22)

~~07.~~

~~08.~~

~~07.~~

License. A hemp producer, ~~or~~ hemp handler, or hemp retailer license issued by the Department.

~~11.~~

(3-15-22)

~~09.~~

~~08.~~

Lot. A contiguous area in a field, greenhouse, or indoor growing structure containing the same variety or strain of hemp throughout. Lots with multiple plantings will be considered separate lots. All lots listed on the application must be removed if no hemp is planted or undergo an inspection and harvest activity prior to the end of the calendar year. (3-15-22)

~~12.~~

~~10.~~

~~11.13.~~

~~09.~~

Measurement of Uncertainty. The parameter, associated with the result of a measurement, that characterizes the dispersion of the values that could reasonably be attributed to the particular quantity subject to measurement.

(3-15-22)

10. Producer. A producer includes an owner, operator, landlord, or tenant who shares in the risk of producing a crop and who is entitled to share in the crop available for marketing from the farm or facility, or would have shared had the crop been produced. A producer includes a grower of seed and, if selling seed, may require a seed dealers license from the Department. A licensed producer may accept hemp from a licensed (state, Tribe, USDA, or country of origin) producer or handler, provided the procured hemp contains an acceptable THC level of 0.3% or less, may act as a broker for hemp, and may sell hemp to licensed producers or licensed handlers.

~~14.~~

(3-15-22)

~~12.~~ **15.Prohibited Cannabis Products.** Any product containing THC, with the exception of biomass pursuant to a producer license as defined by the 2018 farm bill.

~~15.~~

16. ~~6~~Retailer. A retailer includes an owner, operator, landlord, or tenant who shares in the risk of selling or distributing hemp products and who is entitled to share in the end hemp product available from marketing from the facility or would have shared had end hemp products been sold or distributed. A retailer or distributor may also include, but is not limited to: physical locations, booths, farmers markets, wholesale, online, digital, or mobile facilities with the intent to distribute and/or sell hemp products.

17. ~~In-State~~ Retailer.— Any retailer with a physical, -mobile, or online establishment within the State of Idaho that may offer products for in-person or online sale.

18. ~~Out-of-State~~ Retailer. Any retailer with a physical, mobile, or online establishment not within the State of Idaho that may offer products for in-person or online sale.

=

~~13,19. 7~~Site. One continuous address containing all facilities in one general area. Any distance between facilities that qualifies as a separate address is regarded as a separate site.

~~20. 811.~~
Total THC. The sum of tetrahydrocannabinolic acid and delta-9 tetrahydrocannabinol. (3-15-22)

~~19.Volunteer Hemp.~~ Hemp that was not intentionally planted by a licensed hemp producer and is the result of a previous year's planting or growing on its own from seed or roots of an intentionally planted hemp lot. Volunteer hemp, if not part of a licensed growing area, must be destroyed and reported to the Department, or added to the current license year.

~~21.~~

011. ABBREVIATIONS.

01. ~~01.~~
USDA. The U.S. Department of Agriculture. (3-15-22)

02. ~~02.~~
THC. Tetrahydrocannabinol. (3-15-22)

03. ~~03.~~
FSA. The U.S. Department of Agriculture Farm Service Agency. (3-15-22)

012. – 199. (RESERVED)

200. DEPARTMENT INFORMATION.

01. ~~01.~~
Department Reporting. The Department will provide to USDA all hemp information required by federal regulation including a hemp producer report, a hemp disposal report, and an annual state report pursuant to deadlines established by USDA. (3-15-22)

201. – 299. (RESERVED)

300. ~~Licenses.~~ICENSES

~~01.~~ **Requirement.** Any person or entity shall have an active hemp license from the Department for planting, propagating, producing, handling, ~~or processing,~~ storing, selling, or distributing hemp or hemp products in Idaho. ~~(3-15-22)~~

~~02.~~ **02. Application.** An applicant for a producer, or handler, or retail license must apply on a form prescribed by the Department. ~~(3-15-22)~~

a. Excluding retail applications, ~~a.~~ An applicant and any key participants must include in the application a criminal history report conducted as a fingerprint background check by the Idaho State Police or Federal Bureau of Investigation completed no more than sixty (60) days before the application.

The Department reserves the right to deny any application for a license.

~~a.b.~~ ~~(3-15-22)~~

~~03.~~ **03. Annual Application Period and Fees.** All current license holders who possess hemp materials or hemp products must have a license in place or have hemp materials and hemp products properly disposed of by January 1 of the upcoming calendar year. All licenses, regardless of when issued, expire December 31 of the license year. Applications must be complete and include a nonrefundable application fee according to Subsection 301.01 of this rule. ~~(3-15-22)~~

03.

a. The handler and retailer application period is September 1 through December 31 of each year for the next calendar year, or a late fee of two hundred fifty dollars (\$250) applies to each late application.

The producer application period is November 1 through March 31 of each year for the next/current calendar year, or a late fee of two hundred fifty dollars (\$250) applies to each late application.

~~a.b.~~ ~~(3-15-22)~~

04. Application Approval. An applicant will be notified when the application has been approved or denied. Upon notification of approval of a license application, the applicant must remit to the Department the appropriate license fees according to Subsection 301.01 of this rule. Upon receipt of payment of the license fee, the license will be issued. ~~(3-15-22)~~

~~05.~~ **License Not Transferable.** All licenses are non-transferable. ~~(3-15-22)~~

~~06.~~ **Producer License.** A producer license authorizes a person or entity to obtain and possess hemp seed for planting; to cultivate and harvest hemp; to transport their own hemp crop; to dispose of or remediate their own hemp; as well as possess and market plant parts. ~~(3-15-22)~~

07. Handler License. A handler license authorizes a person or entity to obtain and possess hemp, including seed, for processing but not intended for the license holder's own cultivation. ~~(3-15-22)~~

08. Retail License. A retail license authorizes a person or entity to obtain and possess (not manufacture)

hemp products for the purpose of selling or distributing, and not intended for the license holder's own consumption or use. All physical, online, digital, or distribution entities must possess an individual license for each location or site.

098. Ineligibility. No license will be issued to an ineligible person or entity. (3-15-22)

a. A person who has had a hemp license revoked by the Department, USDA, another state, Indian nation, or U.S. territory is ineligible to apply for participation in the hemp program for a period of five (5) years from the date of revocation. (3-15-22)

b. A person who has been convicted of a felony relating to a controlled substance under federal law or the law of any state may not, before the tenth anniversary of the date of the conviction, hold a license, or be a key participant, or be a governing person of a business entity that holds a license unless the person was lawfully growing hemp under the 2014 Farm Bill before December 20, 2018, and whose conviction also occurred before December 20, 2018. (3-15-22)

c. A person who materially falsifies any information contained in a license application to the Department, or submitted an application to the Department, USDA, another state, Indian nation, or U.S. territory with any materially false statements or misrepresentations is ineligible for a license. (3-15-22)

d. A person under the age of eighteen (18) years of age at the time the application is submitted to the Department is ineligible for a license. (3-15-22)

e. A person or entity producing or handling hemp with three (3) negligent violations in a five (5) year period is ineligible to ~~produce hemp~~ obtain a hemp license for a period of five (5) years from the date of the third (3) violation. Retail licensees with three negligent violations within a five (5) year period will have their license revoked, and may be referred to law enforcement. Any retail licensee with three negligent violations within a five (5) year period that apply for a future license will be denied. (3-15-22)

1009. License Expiration. A license is valid from January 1 until December 31 of each year, except for a license issued as a result of a late application which is valid from date of issuance until December 31 of that year. (3-15-22)

110. License Amendment. Any change to the required information on an approved license requires a licensee to submit a license amendment on a form prescribed by the Department within ten (10) business days of the change. Changes may be subject to Subsection 301.01 of this rule. (3-15-22)

121. Additional Responsibilities. ~~A~~ All license holders must notify the Department of any theft of hemp materials or hemp products, whether growing or not, within forty-eight (48) hours of discovery. (3-15-22)

a. **License Accessibility.** License must be made available upon request or displayed in a prominent location.

132. Suspension. A hemp license may be suspended when a licensee has engaged in conduct violating hemp law or rule, or when a licensee failed to comply with a written order related to a negligent violation. (3-15-22)

a. A suspended license may be restored after a waiting period of one (1) year. (3-15-22)

b. Any person or entity whose license has been suspended may be required to comply with a corrective action plan to fully restore the license. (3-15-22)

143. Revocation. A hemp license will be revoked if the licensee: _____
(3-15-22)

a. Pleads guilty to, or is convicted of, any felony related to a controlled substance; or (3-15-22)

b. Made any materially false statement with regard to this rule to the Department with a culpable mental state greater than negligence; or (3-15-22)

c. Was found to be growing cannabis exceeding the acceptable hemp THC level with a culpable mental state greater than negligence; or (3-15-22)

e. Was found to be handling and/or manufacturing prohibited cannabis products as the end product with a culpable mental state greater than negligence; or

f. Was found to be selling, distributing, or transferring prohibited cannabis products with a culpable mental state greater than negligence; or

d. Negligently violated law or rule three (3) times in five (5) years. (3-15-22)

154. No License For Official Duties. Department employees and law enforcement are not required to have a license for handling hemp in performance of official duties. (3-15-22)

301. FEES.

01. Licensing and Inspection Fees. Hemp program fees are as follows: (3-15-22)

Fee Type	Grower <u>Producer</u>	Handler	<u>Retailer</u>
Annual application	\$100	\$100	<u>\$100</u>
Annual license	\$500	\$1,000	<u>\$1,000/site</u>
Modification to application information	<u>\$250</u> <u>100</u>	<u>\$500</u> <u>100</u>	<u>\$100</u>
Producer pre-harvest inspection and other inspections	\$250/lot + \$35/hour for travel to <u>and from</u> site + actual costs for shipping samples		
Handler annual site inspection and other inspections		\$500/site + \$35/hour for travel to <u>and from</u> site	
<u>Retailer annual site inspection and other inspections</u>			<u>included in license cost</u>

Commented [CM1]: Triston Sponseller: Package costs into fee's so producers can plan their costs accordingly. Single fee would simplify the process costs with travel and different lots. Specifically, pivots and gaps in fields creating separate lots and separate costs.

(3-15-22)

~~a. Applicants seeking to produce and handle a hemp license may require both multiple license types. The annual application fee is charged only for one application if multiple applications are submitted within 24 hours. the first license type.~~ (3-15-22)

~~b. Applicants seeking to handle and sell or distribute hemp products may require both license types. The annual application fee is charged only for one application if multiple applications are submitted within 24 hours.~~

~~c. Applicants seeking to produce, handle, sell, and/or distribute hemp products may require all license types. The annual application fee is charged only for one application if multiple applications are submitted within 24 hours.~~

~~d. Failure to pay fees associated with a license will result in the license being suspended and/or revoked. No future licenses shall be issued until all prior fees are rectified.~~

02. Other Costs. Licensees pay the costs of background checks and required testing directly to the entity providing the service. (3-15-22)

302. – 399. (RESERVED)

400. — PRODUCER RECORDS.

~~01. Producer Records.~~ Producers shall maintain the following records for three (3) years and make them available during normal business hours for the Department to review at the location where hemp is being grown: (3-15-22)

~~a. All documents related to the information required in the license application; (3-15-22)~~

~~b. Source of hemp seed; (3-15-22)~~

~~c. Total acreage of industrial hemp planted, harvested, and disposed; (3-15-22)~~

~~d. Record of all handlers sold to and quantities sold to each entity; (3-15-22)~~

~~e. Variety and strain for each lot; (3-15-22)~~

~~f. All records, documents, and forms regarding the disposal or remediation of hemp; (3-15-22)~~

~~g. Copies of all records submitted to the Department, USDA, or law enforcement related to hemp, as well as any supporting documentation. (3-15-22)~~

~~02. Submission of Information to USDA.~~ All license holders shall report to their local USDA FSA office consistent with USDA requirements. (3-15-22)

401. – 499. (RESERVED)

5400. INSPECTION OF PRODUCERS.

~~01. Verification.~~ Inspections may be scheduled by the Department to verify information provided by the licensee. Any growing sites that do not conform to the license must be destroyed or the license must be amended.

(3-15-22)

~~02.~~ ~~02.~~**Access.** The Department shall have access to hemp sites and may enter property where hemp is planted, stored, propagated, produced, or handled for the purpose of inspections, sample collections, testing, or investigation pursuant to Idaho Code and this rule. (3-15-22)

~~01.~~ ~~03.~~ ~~03.~~
Harvest Notification. A producer license holder must submit a sample request form to the Department at least thirty-five (35) days prior to the expected harvest date. (3-15-22)

~~04.~~ ~~04.~~**Procedure.** The sampling procedure is determined by the Department's Sampling Protocol. Inspections and sampling are subject to Subsection 301.01 of this rule. (3-15-22)

~~05.~~
~~05.~~**Inspection and Sampling.** ISDA will conduct inspections and collect samples of each lot not more than thirty (30) days before the hemp is harvested. The industrial hemp may be harvested only after the official sample is collected. The producer licensee or a key participant must be present at the inspection. (3-15-22)

~~06.~~
~~06.~~**Harvest.** The license holder will harvest the crop no more than thirty (30) days following the date of sample collection by the Department. (3-15-22)

~~a.~~ ~~a.~~
~~a.~~ If the licensee fails to complete harvest within thirty (30) days of sample collection, secondary samples of each lot to be harvested must be collected by the Department and submitted for testing. (3-15-22)

~~i.~~ ~~i.~~
~~i.~~ The license holder must notify the Department of a delay in harvesting by submitting a request form for subsequent sample collection from each lot to be harvested. Additional sampling is subject to Subsection 301.01 of this rule. (3-15-22)

~~07.~~ ~~07.~~
~~07.~~**Lots Not Commingled.** Harvested hemp lots may not be commingled with hemp from other harvested lots or other material. (3-15-22)

~~08.~~ ~~08.~~**Movement.** No hemp may leave the control of the producer licensee until the licensee receives notification from the Department that the lot complies with this rule. (3-15-22)

~~09.~~ ~~09.~~**Producer Records.** Producers shall maintain the following records for three (3) years and make them available during normal business hours for the Department to review at the location where hemp is being grown:
(3-15-22)

~~a.~~ ~~a.~~ All documents related to the information required in the license application;
(3-15-22)

~~b.~~ ~~b.~~
~~b.~~ Source of hemp seed; (3-15-22)

~~c.~~ ~~c.~~
~~c.~~ Total acreage of industrial hemp planted, harvested, and disposed; (3-15-22)

- ~~d.~~ ~~Record of all handlers sold to and quantities sold to each entity;~~ ~~(3-15-22)~~
- ~~e.~~ ~~Variety and strain for each lot;~~ ~~(3-15-22)~~
- ~~f.~~ ~~All records, documents, and forms regarding the disposal or remediation of hemp;~~ ~~(3-15-22)~~
- ~~g.~~ ~~Copies of all records submitted to the Department, USDA, or law enforcement related to hemp, as well as any supporting documentation.~~ ~~(3-15-22)~~
- ~~10.~~ ~~Submission of Information to USDA. All license holders shall report to their local USDA FSA office consistent with USDA requirements.~~ ~~(3-15-22)~~

~~4501.~~ TRANSPLANTING.

~~01.~~ **Transplanting.** To transplant hemp, a producer licensee must submit transplant information with his or her license application or submit a lot change request on a form provided by the agency. (3-15-22)

~~02.~~ **Lots Not Combined.** No license will combine multiple transplantation lots into single cultivation lots.

~~032.~~ **Lots Not Divided.** No licensee will divide a lot from the initial area of cultivation for transplant into more than one transplantation area for on-farm production. (3-15-22)

~~043.~~ **Transplant Sales.** Selling hemp transplants for wholesale or retail requires a producer license and a handler license. (3-15-22)

~~5402. – 4599.~~ (RESERVED)

~~5600.~~ INSPECTION OF HANDLERS.

~~01~~ ~~Handler Inspection.~~ The Department will inspect all handler locations annually. The licensee or a key participant must be present at the scheduled inspection. The Department may perform random inspections during normal business hours. A sample may be pulled at an inspection. Scheduled handler inspections are subject to Subsection 301.01 of this rule.

~~02.~~ ~~Sampling.~~ The Department may collect samples during inspection.

~~032.~~ **Acceptable THC Limits for Handler.** All handlers may receive raw industrial hemp with up to three-tenths of a percent (0.3%) of Delta 9 THC. All ~~finished~~ manufactured ~~or end products must contain no detectable THC of any kind.~~

~~04.~~ **Follow-Up Inspections.** The Department may conduct follow-up inspections or to investigate complaints.

~~05432~~. **Handler**
(3-15-22)

Duties.

~~a.~~ The licensee may not acquire or accept hemp from any source other than a person licensed by the Department, the USDA, or a state or tribe with a hemp plan approved by USDA. (3-15-22)

~~b.~~ Licensed handlers shall not sell, offer, or transfer within Idaho any hemp products not in compliance with Section 37-2701, Idaho Code. (3-15-22)

~~0653~~. **Handler Records.** Handlers shall maintain the following records for three (3) years and make them available during normal business hours for the Department to review at the facility where hemp is being handled;
(3-15-22)

a. Records of all hemp crop acquisitions with the corresponding producer name, producer address, copy of producer license number, quantity purchased, and transaction date; (3-15-22)

b. Records of all unprocessed hemp sold including name, address, and license number of the person or entity to whom the product was sold in addition to the quantity sold and transaction date; (3-15-22)

c. Records of hemp products made by licensee including description of each type of product, quantity sold, and date of distribution; and (3-15-22)

d. All records regarding the disposal of products exceeding the acceptable hemp THC level. (3-15-22)

~~5601. – 5699.~~ (RESERVED)

600. INSPECTION OF RETAILERS

01. Retail Inspection. The Department will inspect all licensed retailers annually. Any staff member may be present at the time of inspection. The Department may perform random inspections during the licensee's reasonable business hours.

02. Inspection and Sampling. The Department will conduct inspections and may collect samples of retail products. Law enforcement may be notified of prohibited cannabis products.

03. Access. The Department shall have access to physical and digital sites and may enter where hemp products are displayed, stored, sold, distributed, or being demonstrated for the purpose of inspections, sample collections, testing, or investigation pursuant to Idaho Code and this rule.

04. Notification of Law Enforcement. Law enforcement may be notified of prohibited cannabis products.

05. Retailer Duties. License retailers shall not sell, offer, trade, distribute, or transfer within Idaho any prohibited cannabis products.

06. Retailer Records. Retailers shall maintain the following records for three (3) years and make them available during reasonable business hours for the Department to review, where hemp products are being sold or distributed.

a. Records of all hemp product sales, including product type, amounts, dates, and identifying product information.

b. Records of all hemp product acquisitions from the supplier with the corresponding product name.

supplier name, supplier address, quantity purchased, and transaction date.

c. Records of all hemp products transferred, including the name, address, and license number of the person or entity to whom the product was transferred, in addition to the quantity transferred, product name, and transaction date.

a. All records regarding the disposal or return of prohibited cannabis products. Records must be kept of all prohibited cannabis products destroyed (to include date of destruction, quantity destroyed, method of destruction, and reason for destruction) and/or prohibited cannabis products returned to the original place of purchase (to include date of return, method of return, quantity returned, and reason for return), and must be made available during inspection.

d.

07. Follow-Up Inspections. The Department may conduct follow-up inspections or to investigate complaints.

601-699. (RESERVED)

700. SAMPLES AND TESTING.

01. Producer's Sampling Protocol. Sampling will be conducted according to the Department's Sampling Protocol. The Department will send samples to an accepted laboratory selected by the license holder at the time of sampling. The licensee bears the full cost of laboratory testing. (3-15-22)

02. Laboratory Testing. An accepted laboratory must use appropriate and validated methods and procedures for all testing activities and evaluate the measurement of uncertainty. Samples must be tested using post-decarboxylation or a similarly reliable method by which the total THC concentration level reported accounts for the conversion of THCA into THC. An accepted laboratory will analyze regulatory samples according to the Department's Testing Protocol and the following steps: (3-15-22)

a. Maintain the chain of custody of each sample; (3-15-22)

b. Retain the sample for a minimum of thirty (30) business days from the sample submission date; (3-15-22)

c. Not commingle hemp products or lots from one (1) product or lot ~~lot~~ with any other hemp products or lots from any other lot; (3-15-22)

d. Send the producer test results of official samples to the Department, license holder and USDA no later than the fifteenth business day from the sample submission date; and (3-15-22)

e. Retail test results of official samples will be submitted to the Department. (3-15-22)

03. Handler and Retailer Sampling Protocol. Sampling may be conducted at each entity or site. The Department will submit samples to the Department-selected laboratory. All sampling and lab costs are subject to 301.01 of this rule.

043. Test Results. Any test result of a sample showing, with acceptable quality control passing, that the total THC content of the sample exceeds the acceptable hemp THC level shall be conclusive evidence that hemp from the lot represented by the sample contains a THC concentration in excess of that allowed. (3-15-22)

a. If the results of a test conclude that the THC levels of a sample exceeds the acceptable hemp THC level, the laboratory will promptly notify the producer, the Department, and the USDA. (3-15-22)

054. Holding-for-Awaiting Producers Test Results. No hemp may be transferred or enter the stream of

commerce until the license holder is notified that the hemp lot sampled and tested is compliant with an acceptable THC level when the application of the measurement of uncertainty is applied. (3-15-22)

065. Retesting. A licensed producer holder may request a retest of the original sample within five (5) days from the date the license holder receives notification from the department of the results of the first test. (3-15-22)

- a. Retests must be performed by the laboratory that conducted the initial test. (3-15-22)
- b. The laboratory must use the original sample used in the first test for the retest. (3-15-22)
- c. The results of the retest are final. (3-15-22)

07. Handler and Retail Test Results. Any test result of a sample showing, with acceptable quality control passing, that the total THC content of the sample exceeds a non-detectable THC level, shall be conclusive evidence the hemp product lot, batch, date, or identifying factor represented by the sample contains a THC concentration in excess of that allowed and is considered a prohibited cannabis product.

701. – 799. (RESERVED)

800. PRODUCER DISPOSAL.

01. Hemp Above the Acceptable Hemp THC Level Ffor Producer. No more than five (5) calendar days after notification that material from a hemp lot has tested above the acceptable THC level, the licensee must notify the Department of the licensee's decision to either destroy or remediate the entire non-compliant hemp lot and by which method according to the Department's Disposal and Remediation Protocol. (3-15-22)

02. Disposal. The licensee must dispose of non-compliant hemp with chemical or mechanical destruction to render the material non-retrievable, non-ingestible, and unfit to enter the stream of commerce. (3-15-22)

03. Remediation. Lots may be remediated according to the Department's Disposal and Remediation Protocol. (3-15-22)
