Idaho State Department
of Agriculture

Mr. Lloyd Knight,

The Idaho Association of Noxious Weed Control Superintendent's position is **Neutral** on the listing of Myrtle spurge (*Euphorbia Myrsinites*) to the Idaho State Noxious Weed List. This decision is based on a poll of the Idaho Counties Weed Control Superintendents that was not unanimous in favor or against adding Myrtle spurge to the State list.

Please enter into record this response on behalf of the Idaho Association of Noxious Weed Control Superintendents.

Thank you,
Mitch Whitmill
IANWCS Chairman
